3. Travelling lap

Questions:

1. **Why is travelling beneficial for us?**

- Travelling can change your mind about countries / people / sights / point of views
- It can refresh you and it makes you forget about your busy daily schedules.
- You can learn about ancient and modern cultures, traditions, cities, how people live.
- You can practise foreign languages and you will experience the advantages of learning English, German, etc.
- While you travel to the target country you can have a lot of adventures, you can get into funny or hard situations. While you travel, you learn to be more responsible: taking care of your belongings, find your way at railway stations or in a new city.
- You can get new friends.

2. **Which type of holiday do you prefer / have you been to:**

package holiday or individual holiday

winter holiday or summer holiday

sightseeing holiday or seaside holiday or mountain holiday
